## CONSTRUCTION NOTICE

RB Somerville Construction, under contract to Toronto Community Housing Corporation, will be repairing and finishing roadways in Phase 2 of the Regent Park Revitalization. Daniels CM Corporation will provide construction management oversight.

Work to will include replacement of damaged concrete road bases, curbs and sidewalks; laying asphalt on the roads; re-sodding boulevards where required; and replacing dead trees within the right-of-way. The first phase of this work will take place on the roads bordering Nelson Mandela Public School: Sackville Street north of Shuter Street, and St. David Street between Sackville and Sumach Streets. Please refer to the attached map illustrating the proposed work schedule.

Within the work zones traffic will be re-routed as required, on-street parking and sidewalk access will be restricted, and driveway access to residential parking may be affected. While every effort will be made to reduce the impacts of noise, dust, and limits to access and parking, you may nevertheless experience some inconveniences and we appreciate your patience and cooperation.

Work will begin on Tuesday, September 8, 2020, and take place from 7 a.m. to 7 p.m., Monday to Friday, with some work after hours and on weekends from time to time in order to complete the project more quickly.

Neither RB Somerville Construction nor Toronto Community Housing will be responsible for damage to any privately owned items within the road right-of-way.

We appreciate your patience and apologize for any inconvenience this work may cause. If you have questions about the upcoming work, please contact:
